Go Wild!

Proud member of the
Campbell River Marine Adventure Group

Our commitment is to offer our guests an experience of a lifetime, to discover and explore the natural wonders of the Discovery Islands & Johnstone Strait.

We pride ourselves on maintaining a high standard which guarantees our guests a safe, educational & memorable experience.

CAMPBELLRIVERWHALEWATCHING.COM

Discover... Explore... Enjoy... *Wildlife Discovery Tour*

4 hours - May 1ST to Oct. 1ST
Zodiac & Covered Boats

Join us for an experience of a lifetime. . . .

Explore the waters, shoreline and discover the diversity of wildlife and intriguing history that Discovery Passage has to offer. We may have the opportunity to view: bald eagles, sea lions, dolphins . . . and much more!

Journey... Nature... ENERGY... *Ocean Rapids Adventure Tour*

4 hours - May 1ST to Oct. 1ST • *Zodiac*

We are going to take you where the ocean water boils and whirlpools build into a saltwater river of wonder. Join us for the only tour in the world where there are 5 sets of tidal rapids. Explore the coast for the astounding variety of wildlife that inhabit this area.

Imagine... Learn... BELIEVE... *Whale Watch Tour*

6 hours - July 1ST to Sept. 15TH
Zodiac & Covered Boats

Experience the most spectacular whale watching and wildlife tours in the world. Sit back and take in some of the West Coast's most beautiful scenery while listening to the conversations of the Orca Clan through specially designed underwater microphones.

Magnificent! *Grizzly & Black Bear Tours*

5 & 7 hours - May thru Oct. • *Zodiac & Covered Boats*
The Orford River offers some of the best Grizzly Bear viewing on the west coast. Bring your camera as the specially designed viewing platforms provide ideal photo opportunities.
